Scope and shared quotas — Edition 3.3

Sites included: Basic 1 / Professional 1 / Enterprise 3.

Employees: 50 / 250 / 600 across the entire organisation.

A paid site does not multiply employee, account or resource quotas.

Professional extra site: PLN 199 net/month; Enterprise: PLN 149.

Basic: no additional sites. Above 8 sites or 600 employees: Individual.

Partner tiers

Micro: safety fundamentals, instructions (20), QR/NFC (5 per client).

Standard adds chemicals, PPE warehouse, registers, contractors,

e-learning, audits, RCA and safety talks.

Pro adds AI / data import and the site planner.

Client company caps: 5 / 15 / 30; shared employee pools: 250 / 750 / 1,500.

Maximum 50 employees per client; one included site per client.

Micro and Standard do not include the planner.

Pro includes one site plan per client company: at most 30 clients.

Unused capacity cannot be transferred between client companies.

Planner add-on: PLN 299 net/month per client organisation; one plan.

Lone Worker remains a separate add-on in every tier.

Discreet V-IMS organisation licence watermark on every map print/export.

Existing data remain; new items above quota require a paid extension.

Plan prices and company/employee caps remain unchanged.
